Subject: Forwarding of "MARKING INSTRUCTIONS" to be used during the ALL INDIA TRADE TEST FOR CRAFTSMEN under craftsmen training scheme which is being held from 11.07.2013 onwards.

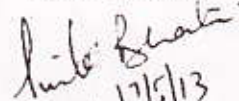

Sir,

You are aware that the All India Trade Test for Craftsmen is being held from 11.07.2013 to 31.07.2013. In this connection, it is informed that only a few number of paper setters have submitted the marking instructions, to be used for evaluation of practical jobs. It is, therefore, submitted that these marking instructions do not appear to be sufficient and hence it is decided that the examiners appointed for the purpose may be permitted to use their discretion for evaluating the practical jobs framing their own marking instructions suiting to the different skills involved in evaluating the practical jobs.

This implies to all the trades whether Engineering or Non- Engineering.

This may be circulated to all the trade testing centers.

Yours Faithfully
