

Office Order

Director General Employment & Training, Government of India, New Delhi had decided to convert the courses of Centre of Excellence scheme running under Vocational Training Improvement Project to Craftsman Training Scheme courses. Accordingly an extensive exercise was undertaken to identify demand driven industry oriented courses to convert CoE courses into CTS courses. The Institute development plans were prepared for holistic upgradation of each ITI to start new courses as well as to delete obsolete courses.

After detailed deliberations, the IDP of each institute was finalized and it was approved to delete the obsolete trades, start additional units & new trades. The office orders were endorsed and circulated vide no. IT/CoE/M&E/CTS/2014/518-558, Dated, Chandigarh: 11-3-2015. In order to implement this rationalization of trades in Govt. Industrial Training Institutes the local adjustments of the following craft instructor are made as under:-
